## **Correction Note**

In the original article entitled "The Potential Role of Probiotics or/and Prebiotic on Serum Lipid Profile and Insulin Resistance in Alcoholic Fatty Liver Disease: A Double Blind Randomized Clinical Trial,"<sup>1</sup> [published in February 25, 2017, volume 4, issue 3] there was an omission in the title before "Alcoholic" word. The title should have read, "The Potential Role of Probiotics or/and Prebiotic on Serum Lipid Profile and Insulin Resistance in Non-Alcoholic Fatty Liver Disease: A Double Blind Randomized Clinical Trial,"<sup>1</sup>
